MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission

Subject: Order to Regulate the Use of Lands in the Gaylord Management Unit,
Cheboygan County
Land Use Order of the Director Amendment No. 10 of 2008
FOR INFORMATION ONLY

Authority:

The Natural Resources and Environmental Protection Act (NREPA), 1994 PA 451, as amended, authorizes the Director to issue orders to implement land use rules.

Discussion and Background

This amendment to Land Use Order of the Director 4.13 is needed to control the use of wheeled-motorized vehicles on the property known as Lee Grand Ranch. The Department has recently acquired a conservation easement on this property located in Sections 9, 10, 15, and 16, T35 N R01W, Cheboygan County. The road closure order will provide for enforcement of the road controls which were already in place when the Department acquired the land. There is a perimeter fence on the property as well as gates in place on the roads.

A plan is being developed by staff to improve parking sites at appropriate locations which will provide for access to the property. This plan will be part of the overall management plan for the lands being drafted this year. A component of the plan and reason for maintaining the closures will be to provide for roadless conditions for wildlife to achieve wildlife population goals for both game and non-game species.
